Wall to be installed behind existing Memorial

You are invited to buy a commemorative metal plaque that will be permanently installed on a 12' x 6' Veteran's Flag Wall at the Spirit of Flight Center. Each metal plaque you purchase will be engraved with your personalized message and the plaques will form the American Flag on a steel wall. The Spirit of Flight Veteran's Flag Wall Program is a great way to support the Spirit of Flight Center, which is dedicated to honoring our veterans while promoting the pioneering spirit of aviation. Individual or groups may purchase a 3" x 4" flag shaped metal plaque. These are high quality stainless steel plaques guaranteed to last a lifetime. **Each engraved plaque has high grade lettering to protect them from the elements.**

The cost is \$100.00 per plaque and includes three lines of type. A maximum of 13 characters (including spaces and punctuation) are allowed per line. As an option, donors can pay over 12 months by making a \$9.95 per month donation to SOF. The Spirit of Flight Center reserves the right to edit text and determine the location in the Flag Wall.

Metal plaques will only be ordered and installed 3 times per year. Plaques purchased October-January will be installed by March 15, plaques purchased February-May will be installed by July 15 and plaques purchased June-September will be installed by November 15. Upon request, a certificate may be created to present a plaque as a gift. The purchaser will be notified when the plaque is installed. A collectible, duplicate of the metal plaque is available for just \$25 more. Makes a great gift! A very limited number of corporate sponsorships are available for \$1000.00 and are recognized on a separate plaque. For more information, or to order call **303-517-5078** or e-mail **info@spiritofflight.com**.
